20 August 2015

Subject: **ALERT—Flood Preparedness Warning EI. 1242.00 FT. SDP**

Pakistan Water and power development authority , Mangla Dam organization vide their alert dated 20 August 2015 has informed that Mangla reservoir is likely to achieve its Max. Conservation level 1242 ft SPD very soon on 22-08-2015. Furthermore, FFD-PMD informed in Weather outlook of Bulletin-A that catchment areas of major rivers may receive heavy at times very heavy falls during Friday night to Sunday. In such conditions releases from Mangla may increase as per Standing Operating Procedure (SOPs) June, 2015.

2. In view of above, it is requested that the population likely to be affected, within the catchment area up-stream and low lying areas down-stream of Mangla Dam be informed / warned about the emergencies which can arise during flood. However further time to time flood warning due to rising inflow/outflow will be issued accordingly.
3. Forwarded for information / necessary action, please.
