19 August 2015

Subject: **Rains Predicted in coming 4-days (Friday-Monday)**

Pakistan Meteorological Department (PMD) vide their advisory dated 19 August 2015 has predicted that scattered rains with thundershowers over upper parts of the country during Friday to Monday. Spokesman of PMD informed that monsoon currents will start to penetrate over upper parts of the country from Thursday and a westerly wave is also likely to grip the same areas on Friday evening. Under the influence of these meteorological conditions, scattered rain/thundershowers with isolated heavy falls are expected in KP, upper Punjab, Gilgit-Baltistan and Kashmir during Friday to Monday.

2. Due to interaction of monsoon currents and westerly wave, isolated areas of Rawalpindi, Gujranwala, Hazara, Peshawar, Mardan Divisions and the catchment areas of major rivers may receive heavy at times very heavy falls during Friday night to Sunday.
3. The prevailing high temperatures in northern areas with combination of rainfall may trigger GLOF/ flash flood events in Gilgit-Baltistan and Chitral resulting high flows in the local rivers and streams of northern areas.
4. In view of above, it is requested that all concerned should be cautioned / forewarned to take all necessary precautionary measures to avoid any loss of lives and damage to public as well as private property.
5. Forwarded for information / necessary action, please.
