

## F.2 (E)/2015-NDMA (MW/ Flood Warning-03) **Government of Pakistan National Disaster Management Authority** (Prime Minister's Office) **ISLAMABAD**

22 July 2015

Subject: SIGNIFICANT RAINFALL / FLOODING IN SINDH AND BALOCHISTAN

According to latest Meteorological & Hydrological conditions analyzed by Flood Forecasting Division Lahore, an active Monsoon weather system is likely to affect Sindh province which may cause fairly widespread thunderstorm / rain of moderate intensity with heavy falls at isolated places and very heavy falls at some places during next 4-5 days. Urban flooding is expected in main cities including Karachi during the period.

- 2. Scattered thunderstorm of moderate intensity with isolated heavy falls is also expected in Balochistan especially northeast central and coastal Balochistan which may also cause flooding in local nullahs and rivers.
- 3. In view of above, it is requested that all concerned should be cautioned / forewarned to take all necessary precautionary measures to avoid any loss of lives and damage to public as well as private property.
- 4. Forwarded for information / necessary action, please.
