

NDMA Met Projections (7th to 12th Dec, 2024)

National Emergencies Operation Centre - National Disaster Management Authority

Punjab:

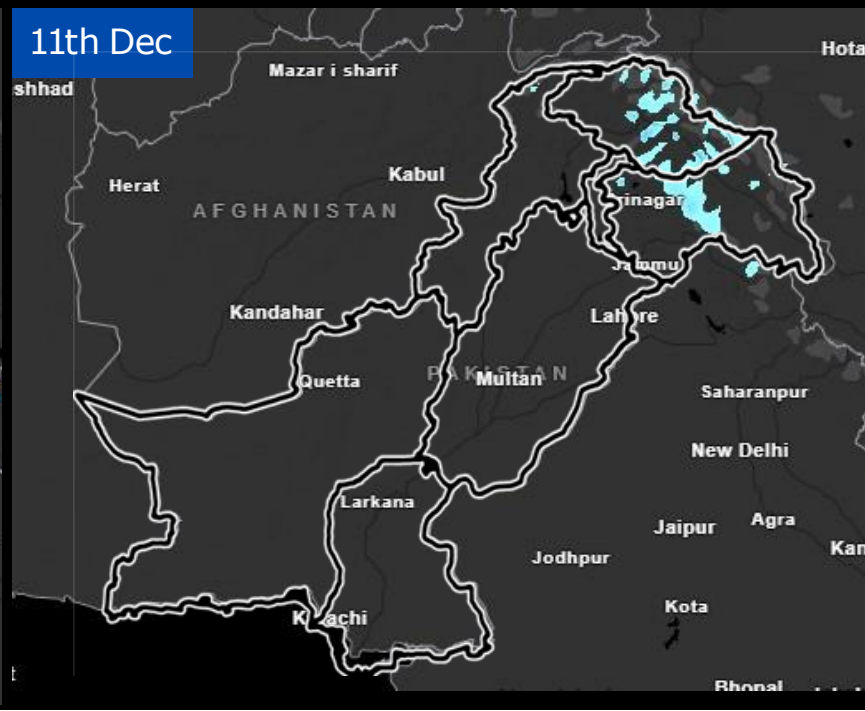

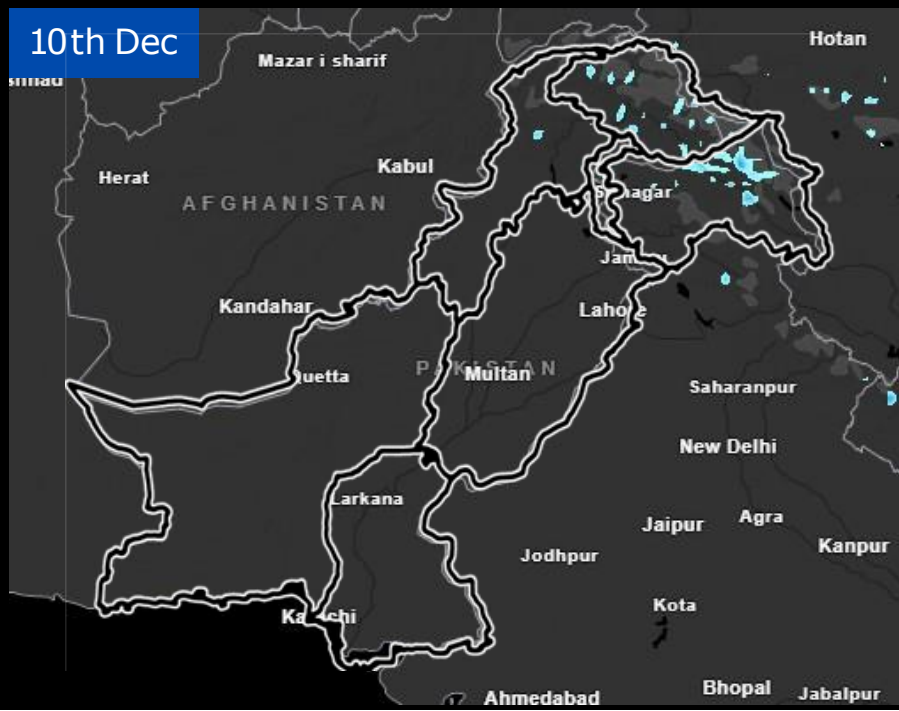

Cold and dry weather is anticipated, with smog/fog likely to prevail in the plains of Punjab. However, cloudy weather with chances of isolated rainfall is expected in the Potohar region, including Islamabad, Rawalpindi, Attock, and northeastern parts of the province, from 7th to 8th Dec 2024.

Balochistan:

Cold and dry weather is expected across the province from 7th to 12th Dec, 2024.

Sindh:

Cold and dry weather is expected across the province from 7th to 12th Dec, 2024.

KP:

This week, the province is expected to experience mostly cold weather. However, isolated rainfall (snow over the mountains) is expected in the upper parts of the province.

GB & AJK:

Mainly cold weather with isolated rain and snow over the hills is expected in GB and AJK from 7th until 12th Dec 2024.
