NDMA may consider the alternative payment schedule offered by the selected Bidder. Or
		ii) The SCC stipulates the payment schedule offered by NDMA. The following process shall apply: (a) NDMA may reject a Bid if NDMA has determined that the price in combination with other constituent elements of the Bid is abnormally low in relation to the subject matter of the procurement (i.e. scope of the procurement or ancillary services) and raises concerns as to the capability and capacity of the respective Bidder to perform that contract; (b) Before rejecting an abnormally low Bid NDMA shall request the Bidder an explanation of the Bid or of those parts which it considers contribute to the Bid being abnormally low; take account of the evidence provided in response to a request in writing; and subsequently verify the Bid or parts of the Bid being abnormally low; (c) The decision of NDMA to reject a Bid and reasons for the decision shall be recorded in the procurement proceedings and promptly communicated to the Bidder concerned; (d) NDMA shall not incur any liability solely by rejecting abnormally low Bid; and
