

# NDMA Met Projections (23rd to 28th August, 2024)

National Emergencies Operation Centre- National Disaster Management Authority

### Punjab:

Thundershowers are expected intermittently during this week in Potohar region, and northeastern areas. However, isolated thunderstorms/ heavy falls are expected in Jhelum, Mianwali, Sargodha, Gujranwala, Faisalabad, Hafizabad, Gujrat, Sheikhupura, Narowal, Lahore, Multan, Bahawalpur, Rahimyar Khan, and DG Khan from **25th to 28 August**.

### Balochistan:

Humid weather is expected while thundershowers and isolated rainfalls are likely at different parts of the province, including Quetta, Zhob, Ziarat, Kalat, Loralai, Sibbi, Khuzdar, Panjgur, Turbat, Awaran, Pasni, and Ormara from the **26th to 28th August**.

### Sindh:

Humid weather is expected while thundershower and rainfall/isolated heavy falls are expected intermittently in most parts of the province, including Karachi, Hyderabad, Thatta, Tharparkar, Badin, Umerkot, Sukkur, Larkana, and Shikarpur, from the **25th to 28th August**.

### KP:

Thunderstorms and isolated rainfall/heavy falls are expected intermittently from the **25th to 28th August** in most parts of the province, including Chitral, Dir, Charbagh, Malakand, Hazara, Swabi, Mardan, Peshawar, Charsadda, Haripur, Mansehra, and Abbottabad.

### GB & AJK:

Cloudy weather, along with chances of isolated rainfall, is expected in various parts of the provinces from the **25th to 28th August**. However, most parts of Kashmir will experience isolated rainfall/heavy falls during this period.
